**SINGLES.** Persistence does pay off! Especially in Lady GaGa's case. *Just Dance* has been hanging around the Top 10 for the last seven weeks and it takes poll position this week. Katy Perry is proving she is no one hit wonder, her second single - *Hot N Cold* joins *I Kissed A Girl* in the Top 10 - both are currently sitting at No.7 and No.9 respectively. Meanwhile Kings Of Leon are heating things up - *Sex On Fire* bolts up ten spots to No.15 and Sara Bareilles who not too far behind with *Love Song*, leaps from No.35 to No.23 this week. Biggest bullets goes to the Artists Stand Up For Cancer, with likes of Beyonce and Melissa Etheridge singing for the cause, it's no wonder *Just Stand Up!* races up forty-six places to No.39 and lastly, Sam Sparro, who has taken five ARIA Award nominations last week, no doubt helping along his second single - *21<sup>st</sup> Century Life*, which moves thirty-four places to No.52.

**No.38 I'M NOT OVER - Carolina Liar.** Carolina Liar is not one of your typical rock bands. The group was founded by American singer-songwriter and musician, Chad Wolf, who by chance crossed paths with famed Swedish producer, Max Martin. It was not long after Wolf was making beautiful pop-rock music with the record producer. Joining Wolf for the ride are Swedes - Johan Carlsson (keys), Jim Almgren Gander (guitar), Rikard Goransson (guitar), Max Grahn (drums) and Erik Haager (bass), who make up the rest of *Carolina Liar*. This is their debut to the ARIA Singles Chart.

**No.57 SUPERWOMAN - Alicia Keys.** This soulful songstress will be heading down under very soon for her first tour in four years. Alicia Keys wowed audiences with her debut single *Fallin'* back in 2001. The single went on to peak at No.7 and was accredited with platinum sales. Keys went on to release another Top 10 hit last year with *No One*, which peaked at No.3 and was also accredited with platinum sales. *Superwoman* is the third single taken from Keys current album *As I Am* (No.3 Nov. '08). Following the singles, *No One* (No.3 Dec. '07) and *Like I'll Never See Me Again* (No.77 Apr. '08). Keys cites Stevie Wonder as her biggest influence.

**No.71 BURNIN' UP - Jonas Brothers.** Teen heartthrobs - the Jonas Brothers are Kevin, Joe and Nick and the boys are making waves everywhere they go! The Brothers gained notoriety through the Disney Channel and have since gone on to play sell out tours, opening for performers Backstreet Boys, Kelly Clarkson, Jesse McCartney and our very own, The Veronicas. *Burnin' Up* is the Jonas' fourth single to hit the Top 100, it follows *S.O.S.* (No.47 Apr. '08), *When You Look Me In The Eyes* (No.46 Aug. '08) and *Year 3000* (No.72 Apr. '08).

**No.84 COOKIE JAR - Gym Class Heroes Feat. The-Dream.** Upon their debut release, *Gym Class Heroes* had the world in *Cupid's Chokehold (Breakfast In America)* (No.14 May '07). The single peaked within the Top 10 in half a dozen countries across the world. The current line up of the New York group is Travis McCoy (lead vocals), Disashi Lumumba-Kasongo (lead Guitar), Eric Roberts (bass guitar, backing vocals) and Matt McGinley (drums, percussion). *Cookie Jar* is the first single to be lifted from Heroes latest album, *The Quilt* - out soon!

**No.94 BREAKOUT - Miley Cyrus.** At just 15 years old, Miley Cyrus is sitting on top of the world! Not only does the talented little pop star have her own television show - *Hannah Montana*, with a movie spin-off scheduled for release next year, she also helped design the *Hannah Montana* clothing line, is preparation to write about her star life and that's not even mentioning the millions of records sales Cyrus has made all across the globe. This week, Cyrus became the youngest person to top the ARIA Albums Chart with her album *Breakout*, from which the single, *Breakout* is lifted from. *7 Things* (No.10 Sep. '08) and *See You Again* (No.6 July '08) can also be found on the album.

**No.99 FALLING DOWN - Missing Hours.** Brother / sister duo from Melbourne - Missing Hours, are Ant and Em Hewitt. The pair dabbled in music while both were in their teens and this made them grow closer together musically. Growing up on a healthy appetite of Pink Floyd and Fleetwood Mac, Missing Hours call upon Garbage, Smashing Pumpkins, The Killers, Tori Amos and Fiona Apple amongst a host of others as influences. This is the Missing Hours debut to the ARIA Singles Chart.

**ALBUMS.** We have a brand new No.1 album this week as Miley Cyrus's *Breakout* hits the top, sliding smoothly up from No.2 and pushing Slipknot's *All Hope Is Gone* to No.4. Jason Mraz continues his slow but steady climb up the albums chart with his latest album, *We Sing. We Dance. We Steal Things.* taking a little jump from No.7 to No.3 this week. A few re-entries have littered the chart this week with *Little Voice* by Sara Bareilles coming back in at No.76, Kings of Leon's *Because Of The Times* jumps from No.39 to No.27 and *Aha Shake Heartbreak* jumps back in at No.82 and the Jonas Brothers sneaks back in at No.99 as they slowly but surely dominate our charts - see *Camp Rock* below...

**No.6 DEATH MAGNETIC - Metallica.** This marks Metallica's seventh Top 10 hit! They have had three No.1 albums; *Load* (June '96) accredited double platinum, *S & M* (Nov. '99) accredited platinum and their last release *St Anger* (June '03) also accredited double platinum. Other Top 10 hitting albums are the double platinum *Reload* (No.2 Nov. '97), *Garage Inc.* (No.2 Nov. '98) also accredited platinum and *Metallica* (No.6 May '92) which has been accredited platinum eight times! This album sees a few firsts for Metallica; it's the first time they have worked with producer Rick Rubin, it is the first album they have recorded with new bassist Robert Trujillo, it's the first time they have used their old logo on an album this century and it's the first time that all band members contributed to the writing of new material. Other albums of Metallica to chart include *And Justice For All* (No.16 Jun. '93) accredited double platinum, the platinum accredited *Kill 'Em All* (No.55 Apr. '93) and *Live Shit: Binge & Purge* (No.18 Dec. '93). What's remarkable about this albums chart position is that it's based on 'pre-sales' - *Death Magnetic* was not officially released until 13<sup>th</sup> September so this chart position is from only a few days sales, as opposed to the customary week!

**No.12 THE FAME - Lady GaGa.** Her real name is Stefani Gabriella Germanotta, but you would know her as Lady GaGa (which is believed to be derived from Queen's *Radio Gaga*). This latest chart topper is from New York, and attended the same school as sisters Paris and Nicole Hilton. Her musical prowess started at an early age, as she learned piano and started composing at the age of 13. At the age of 17 she entered the prestigious Tisch School Of The Arts and studied music there. The first single from this album, *Just Dance* hit No.1 this week.

**No.20 ENGINEERING THE SOUL - Something With Numbers.** This is the third album from these boys originally from the Central Coast of NSW and was recorded in Brooklyn, New York. The first album of theirs to chart was *Perfect Distraction* (No.37 Oct. '06) which was preceded by *Etiquette*. *Something With Numbers* is made up of Tim Crocker (guitar), Jake Grigg (vocals), Lachlan Scott (guitar), Scott Chapman (bass) and Dave McBeath (drums).

**No.41 CAMP ROCK - Soundtrack.** Taking the baton from *High School Musical*, *Camp Rock* is the latest 'made-for-TV' musical from Disney. It has already aired in America to 8.9 million viewers, second only to *High School Musical 2*. The Jonas Brothers feature in the film as a boy band, with Joe Jonas starring as spoilt rock star needing to be brought into line while at camp. He stars alongside Demi Lovato a new-comer who gets into camp on a whim looking to become a singer. *Camp Rock* will air in Australia on 26<sup>th</sup> September on the Disney Channel.

**No.62 LOOK IT UP - Jasmine Rae.** Rae's debut album has hit No.5 on the country albums chart this week. In January this year, Rae won the Telstra Road to Tamworth competition which meant that she got to go to Nashville and perform at one of the worlds biggest music festivals - the CMA Country Music Festival. Rae is from the suburbs of Melbourne and has been singing and playing since the age of 8. After leaving High School she went onto study music at Royal Melbourne Institute Of Technology developing her skills as a musician, writer and performer.

**No.67 MINUS - Dukes Of Windsor.** This is the first album of Dukes Of Windsor to chart. For this album, the Aussie boys took themselves to Sweden to record and work with some of the world's top hardcore music producers. *Dukes Of Windsor* is made up of Jack Weaving (vocalist), Cory Blight (drums), Scott Targett (keyboard), Oscar Dawson (guitar) and Joe Franklin (bass). Dukes Of Windsor are scheduled to go on tour around Australia later this month.

**No.81 THE BLOCK - New Kids On The Block.** Returning back to the era where boy bands were innovative and unique NKOTB had two top 10 albums with *Hangin' Tough* (No.7 Nov. '89) accredited double platinum and *Step By Step* (No.4 June '90) accredited gold. The boys took some time away from each other and pursued different interests; Donnie Wahlberg did some acting work in various movies, Joey McIntyre, Jordan Knight and Danny Wood stayed in the music industry and used their talents in recording, producing or performing music while Jonathan Knight started a career in real estate. Their new album comes ahead of an American tour and has some of the biggest stars in todays music including Lady Gaga, Ne-Yo, Timbaland, Akon and The Pussycat Dolls. Other albums of the boys to chart include *Merry Merry Xmas* (No.34 Dec. '89), *No More Games / The Remix Album* (No.34 Jan. '91) and *New Kids On The Block Tour Souvenir Edition* (No.13 Feb. '92) accredited gold.

**No.84 GREATEST HITS 1998-2008 - Adam Brand.** Brand started his working career as a travelling salesman before moving to Sydney and recording his first self-titled album *Adam Brand* which hit No.44 in March 1999 and has also been accredited gold. Being an Australian country musician, Brand's albums have done very well on the country chart alongside the albums chart: *Good Friends* (No.26 Mar. '00) hit No.3 on the country charts, *Built For Speed* (No.24 Feb. '02) peaked at No.2, as did *Get Loud* (No.16 Aug. '04), *What A Life* (No.28 Jul. '06) and *Blame It On Eve* (No.10 Jan. '08). This greatest hits compilation is at No.7 on the country albums chart this week.

**No.94 THAT LUCKY OLD SUN - Brian Wilson.** Wilson used to be one of the Beach Boys, and this latest album was actually commissioned by London's Southbank Centre for the opening of its 2007 season. Helping Wilson with this work was Scott Bennett as well as Van Dyke Parks who also collaborated with Wilson on *Smile* which hit No.17 in October 2004. The theme of this album is life in Southern California and is a mixture of music and spoken word. Wilson's first album was the self-titled *Brian Wilson* which peaked at No.39 in August 1988.
